

Women's Head Coach

The Dandenong Cricket Club (DCC) and Dandenong Women's Cricket Club (DWCC) are excited to be working together on the appointment of a Women's Head Coach for the coming 2017/18 cricket season.

DWCC has a long and proud history of producing some of Victoria and Australia's finest female cricketers, whilst also being a leader within the Premier Cricket competition in Victoria. As such this role presents itself as an exciting opportunity to work with some fantastic young talent as well as already established Victorian and WBBL players.

This position would oversee two teams who compete in the Premier and Premier Reserves competitions. We are seeking an enthusiastic coach who has a passion for developing talented athletes, and one with proven experience and knowledge of elite club level cricket. Representative Coaching (formerly Level 2) accreditation is essential, and experience working with female athletes is desirable.

Appropriate remuneration commensurate with this position is available.

Written applications to be sent via email to our Women's Cricket Manager, Sarah Elliott at dandenongwomenscc@gmail.com by Wednesday 30th May, 2017. Phone enquires 0423 415 336
