

Premier 1st XI Debutants 2007/08

Up until Christmas 36 players have made their debut in Premier 1st XI cricket this season. This is quite a few less than at the same time last season, when 56 players had debuted. Casey-South Melbourne (6) have the highest number of debutants from Frankston Peninsula (5), Richmond, Northcote and St Kilda (all 3). Carlton, Geelong and Prahran are yet to have a new 1st XI player in 2007/08.

The oldest debutant is former Redbacks all-rounder Mike Smith (34), who has joined Melbourne, while the youngest is 16 year-old Hawks' batsman Darren Dewar. 16 debutants are from metropolitan competitions, 8 are from the country, 5 from interstate and 7 from overseas. As "feeder" competitions, the VSDCA (5) and VTCA (6) have provided most.
