This match has been included at the request of an unnamed former Ringwood player and life-member, also a CV life-member, who also happened to take 7/21 in the match. It was Ringwood's first outright win after being admitted to the VCA in 1974/75. Chris King, who opened the batting and scored the only half-century of the match, is the older brother of Noel and Robin and uncle of Michael, Daniel, Matthew and David. Graeme Fox later went on to play 101 matches for the Rams after 79 for the Students. Current Ringwood President, Graeme O'Donnell opened the batting for the Rams.

Sadly two members of each team have passed away in recent years, all prematurely: former VCA assistant secretary Ian McLeod (1945 – 1999), Essendon premiership footballer **Neil Clarke** (pictured) (1957 – 2003), Victorian paceman Colin Corstorphin (1954 – 1998) and Victorian U16 Coach Doug Rumble (1955 – 1986). Melbourne Uni and Fitzroy Doncaster, the two clubs Doug played for, play for the Doug Rumble Cup whenever they meet.
